## New York Giants Win First and Second Games in World Series, Defeating Washington Senators, 4-2 and 6-1

Carl Hubbell and Hal Schumacher, winning pitchers turn in masterly exhibitions and go full route for Giants, allowing only five hits each. Mel Ott, young Giant outfielder, smashed out home run with team-mate ahead of him and three singles in first game for a perfect day at bat. "Goose" Goslin scored the Senators lone tally in the second game with a home run.

### Grand Chapter Officers Pay Official Visit to Somme Chapter, Order of the Eastern Star

Mrs. Dawson, of Edmonton, Worthy Grand Matron of the Order of the Eastern Star, paid an official visit to Oyen last Thursday. Other officers who accompanied her were Mrs. Stokes, Grand Marshall, and her husband, a past grand chapter officer. The visitors motored to Oyen from Monitor and were entertained at dinner at the home of Mr. and Mrs. G. S. Peck. Another grand chapter officer present was Mrs. Ray. C. Anderson of Excel, Grand Warder.

There was a good attendance of members and a number of visitors from outlying points were present. At the close of the meeting refreshments were served and a social hour was pleasantly spent. The visiting of-

The New York Giants called the hitless wonders of the National League, have collected 20 hits in the two games played to date in the 1933 world series. In the first game, Met Ott, young Giant outfielder, contributed four of the ten hits garnered by his team, and co-starred with Carl Hubbell for the honors. The star south-paw struck out the first three Senators to face him, and added seven more batters to his list of strike-out victims before the game ended.

In the second game the Giants bunched eight of their ten hits to score 6 runs in the sixth innings. With bases loaded and one gone Lefty

### Splendid Exhibition of Work at Annual School Fair

The exhibition of school work at the annual school fair held last Friday was a credit to the pupils and their teachers and compared very favorably with the work of previous years. Competition was quite keen and the red blue and white ribbons awarded for first, second and third prizes respectively, were proudly worn by the youthful winners.

The cup awarded for the

## Here and There

An orchard consisting of only one tree which has borne 116 different varieties of apples and one variety of pears by means of careful grafting, is located in Eastern Canada. This season 47 varieties of apples put forth blossoms.

Canada produced 1,285,888 ounces of silver during March as compared with 1,307,154 ounces in February and 1,460,137 ounces in March 1932. 3,976,818 ounces were produced during the first quarter of 1933, a 17 per cent. decline as compared with the same period in 1932.

Hon. Frank L. Polk, acting secretary of state for the United States in 1918-19, wellknown corporation lawyer and director of many companies including the Chase National Bank and the Northern Pacific Railway, is staying at the Banff Springs Hotel with his family for the summer vacation.

More than equalling expectations the New York-Montreal cruise of the Duchess of Bedford, set a new holiday record for special trips recently when 900 passengers took the excursion. Guaranteed a romantic moon every night and a picturesque run down the St. Lawrence, the passengers embarked steadily at the rate of three to the minute for five hours.

Wheat-cutting is now general in Manitoba and under way in the other prairie provinces, according to a recent weekly report issued by J. M. McKay, general agricultural agent, Canadian Pacific Railway, Western Lines. There is still, however, great need for further moisture, especially in the central and southerly parts of the grain-growing provinces.
